Robert,

Per your instructions, attached is a scope of work that our office would like B&D to offer a price quote on. It is our understanding that our office will be contracting with B&D through the GSA STARS program. As we understand it, B&D will be working with EFW to perform the services contemplated under this contract.

Please provide us with a price quote as soon as possible and instructions for how we should move forward in the contracting process. Contact Ebony Atkinson or myself if you have any questions.

Ken,

The best way to handle this is to send me the PWS in an e-mail and ask me to respond to it. I will then turn it around back to you ASAP. I hope this is a better solution for you. If you have any questions please call me @ (b) (6)
